Request for City Dumpster/Special Pickup

I, _____ request the use of a city dumpster and special pick up for landfill acceptable refuse. I acknowledge that the use of this dumpster is restricted to the disposal of normal personal property and home remodeling debris not in conjunction with an ongoing business or commercial activity. I request the dumpster be delivered to _____ and certify that this is a legal address for which I am listed as a property owner.

I understand that the city reserves the right to refuse use of a city dumpster if,

- I have unpaid overdue charges from the city,
- I refuse to abide by the fee schedule,
- I am not the owner of record of the refuse being disposed,
- The refuse is in conjunction with a regular ongoing business or commercial activity,
- Or the refuse is not acceptable by the rules of the landfill.

I agree to reimburse the city for a dumping fee for each pick up, the actual weight of the landfill acceptable waste disposed, and for any damage to the dumpster beyond normal use, as set forth by the city. I acknowledge the current fees I agree to pay are:

- Dumping Fee: \$ _____ per dump.
- Landfill Fee: \$ _____ per pound.
- Damage Fee: Based on actual repair/replacement costs incurred by the city.
